

Paramount Financial

New Construction

New Office Building for Paramount Financial, features three floors with the Main Entry @ ground level (2nd Floor) and an open 3 story central staircase. Contains conference rooms, Employee Break Rooms, Administrative and Support Offices and multiple copy stations.

The Facility is also designed with a full security system and sight lines thru the buildings' central core.

The 17 acre site is landscaped with a memorial plaza and fountain at its center. Future planning allows for immediate expansion.

Winner of the Ohio Concrete Masonry Association, 2003 Class and Overall Excellence in Concrete Masonry Design Award.
